

Jawaharlal Nehru Institute of Banking & Finance

Operational Risk Management for IIFCL officers

JNIBF conducted online program on **Operational Risk Management for India Infrastructure Finance Company Ltd. (IIFCL)** officers from (31 January to 1 February 2022). The program was customized as per the requirements of IIFCL. The training was attended by 27 participants of IIFCL from various locations.

The program laid an outline for strengthening risk sensitive cultures in the organization. The program highlighted topics on overview of Risk and operational risk guidelines by BASEL, Conducting Risk and Control Self- assessment (RCSA) process, Business continuity management, capturing operational risk loss, practical session on Key risk identification process and RCSA and an overview on Risk in IT.

The program was inaugurated by Mr. Sandeep Kumar Sharma, CGM & Director, JNIBF and special key note was addressed by Mr. Kishore Kumbhare, Chief Risk Officer, IIFCL. JNIBF extends a warm gratitude to the Risk Management Department, for supporting JNIBF in customizing contents to much appreciated delivery of all the sessions by Shri Anirudh Behera, CGM- RMD, Shri Ajay Ranade- GM, RMD and Shri Dhananjay Tiwary – DGM- RMD.

In the valedictory vote of thanks was addressed by Mr. Suresh B Rathod- GM-Academics, JNIBF, followed by feedback from IIFCL. The program was highly appreciated by CRO, IIFCL and all the participating delegates. The external training by JNIBF, has paved a strong way for solidifying its relationship with IIFCL.
