Jawaharlal Nehru Institute of Banking & Finance (JNIBF), Hyderabad, a Training Institute of IDBI Bank, has entered into an MoU (memorandum of understanding) with Banking Finance and Insurance Institute of Nepal (BFIN) which encompasses a joint collaboration on training and allied areas.

IDBI Bank's JNIBF was established in 1991 at the national and international level for project finance, infrastructure finance, retail banking, recovery, management development programmes, soft skills, etc. The institute has repositioned itself as a multi-faceted Centre for Excellence enhancing human capital on all spheres of financial services.

The collaboration aims at the development of managerial skills amongst professionals from the banking, financial services and insurance (BFSI) sector of India as well as Nepal through the joint training program offerings in various emerging areas.

Established under the Company Act 2063 on August 14, 2018, the main objectives of BFIN are to offer training, workshop and seminar; and enhance the knowledge, skills and capabilities of personnel in the financial sector as well as other stakeholders. It also conducts research and consulting activities to strengthen the respective sector and offers specific accredited courses. Data bank for the banking community is created by the institution which helps to strengthen the financial systems in Nepal.
