

## MDP – STRATEGIC LEADERSHIP

Duration: 3 Days (April 22-24, 2024)

Mode of Conduct: Residential

### Introduction

It is crucial to focus on leadership development as a response to the evolving landscape of diverse, complex, and globalized organizations. Companies worldwide are facing challenges in finding and nurturing leadership talent, and this scarcity is a top concern for CEOs globally. The need to train and cultivate leaders within their respective countries becomes imperative not only to fill the leadership gaps, but also to manage the threat posed by established global companies seeking to expand into new territories. Excellence in Leadership is an ongoing journey towards achieving better and more successful outcomes, requiring leaders to possess both visionary and innovative qualities. Our strategic leadership development program, designed to empower participants across various dimensions of leadership, aims to equip them with essential competencies to foster high-performance teams.

### Objectives

The objective of the program is to provide a comprehensive understanding of leadership excellence, focusing on practical application and skill development.

### Who should attend?

Middle/Senior Management Grade Officers from banks/financial institutions and public/private sector organizations/institutions.

### Training Methodology

- Highly interactive sessions
- Group works and presentations on case studies by participants
